Re: Barclay

Dear Ed:

Enclosed is a first draft of our memorandum in reply to Brown & Williamson's submission to the Federal Trade Commission concerning Barclay. I understand that Alex sent you a copy of that submission as well as other companies' responses to R. J. Reynolds' proposed modification of the FTC's cigarette testing methodology.

We hope to have the reply memorandum in final form by the end of this week, and I would appreciate any suggestions you may have with a view to protecting our patent position.

We shall continue to keep you advised.

Very truly yours,

*Carl*
